

RESIDENCY APPLICATION

Details and deadlines

CAC NAMA accepts artists for residencies who offer quality, seriousness, or experience in their art and encourages diversity of style, medium, and concepts.

Applications to the residency program are accepted on a rolling basis. However, priority consideration and fellowships will be awarded to those applying by the deadlines. Please indicate if alternate dates will be considered in the event that the dates you request become filled.

Residency fees are a flat rate of \$300 a week or \$1100 a month and include accommodation and access to all CAC NAMA facilities. For artists also using printmaking facilities and supplies, an orientation with our Master Printmaker and an additional \$35 supply fee is required. If you are interested in using the studios without accommodation please contact us for reduced rates. All returning artists receive a 15% discount on residencies.

CAC NAMA provides awards to approximately 90% of Residents. Please apply by priority deadlines for consideration. Award amounts range from \$50/wk to full cost. To apply for an award you must provide a short statement of proposed residency project and check the "apply for award" box. Awards will be given based on the strength of the proposal and demonstrated artistic ability.

If you would like to be considered for financial aid please check "apply for financial aid" box and send a photocopy of your most recent tax return. Artists receiving financial aid will also be expected to donate between 5-10 hours of their time per week working for CAC NAMA.
